Game Fish Initiatives

Original watercolor by **John Rice**

The Sharpie

John Rice illustrates for many of the country's top sporting magazines and book publishers. His work is widely owned by personal collectors, corporations, and not-for-profit organizations. He is particularly accomplished in wildlife art. For many years John has been a generous donor to many organizations including Duck Unlimited and CCA.

This 11X14 original painting very effectively captures the secretive, "Sharpie" surfcaster unhooking a large striped bass caught along a rocky Northern New England shoreline. It will be shipped at no extra charge unframed to the winning bidder.
